MEMORANDUM FOR THE DIRECTOR

1. This memorandum is for information only.

2. Mrs. John H. Wallace 3031 S Street, N.W., called to ask if we could give her a bundle of your speech before the V.F.W. so that she could, on her own, visit P.T.A.s and other school organizations where-  
ever she might approach groups to tell them what you are saying about teaching Communism in schools. She is practically ready to go into the business of pushing your speech in Virginia and the District of Columbia school sections. She would like to get all the copies she can. I told her that our supply is limited and we do appreciate her enthusiasm and we will send her ten copies, and we ask her to let us know how she makes out so that if we have any additional copies later, we may be able to furnish her more.

3. I don't know anything about Mrs. Wallace, and I have a suspicion that she is trying to talk herself into a job--this is just my opinion.
